

Remembrance Way

Give a Lasting Gift with a Personalized Brick Paver

Remembrance Way is located in the garden outside the Patient Care Tower and offers individuals or groups an opportunity to give a lasting gift in memory or in honor of a loved one or to commemorate a special event in someone's life.

Each Spring new bricks are placed in the Walkway and a dedication ceremony honoring the recipients, families and friends is held in the Rotunda. Following the ceremony, guests are invited to the Walkway to view the placement of bricks and enjoy the beauty of the garden.
